Shoot Management Comments

This is the second full year in the development of an ATA Registered Trap Program at the Peterborough Sportsmen's Club. All ATA shoots will be conducted on two trap fields, each with an automatic PAT Trap machine and a Canterbury Voice Release.

As part of our club's "good neighbor" program, we do not begin shooting before 10:00 AM and quit shooting 30 minutes before sunset. To facilitate the management of the shoots, the management requests that you contact the club at 603 924-3204 or Directors@pscnh.com to "pre-register" and let us know that you plan to attend the upcoming shoot.

If you have shoot management questions, comments, or suggestions please contact either Doug Whiton (Doug.Whiton@tds.net or 603 588-4010) or Jim Schmidt (Granpy@gmail.com or 924-1980).
