Executive Committee Meeting Minutes
May 3, 2026 1:00 PM

In Attendance: Gary Littlefield, Jason Green, Jack Cannon, Phil Wright, John Canillo, Allisen Reese, Steve Szczechura

Allisen Reese gave update on trophy package – everything is going as-scheduled. Some trophies which have already been received have been transferred to Jason Green for holding. Waiting on Shamrock Leather and All-American Woodworking orders. Frank Pascoe (All American Woodworking) has offered 2025 rates to offset increased shipping costs.

When it comes time to pick pin colors for this year's shoot, due to the 250th anniversary of the US, we should go with a Red/White/Blue theme.

John Vo's donated TriStar shotgun was discussed. John would prefer that whatever we do, that it raises funds for the association (raffle, sale, etc. as opposed to giving it away as a prize). Jason Green to get with Angelo Troisi at Minute Man to sell on our behalf.

Jason Green gave an update on state shoot sponsorships. All three Bronze-level sponsorships have been taken (LPGWorks, Major Waldron, Country Pond). Two of the three Silver-level sponsorships have been taken (Stateline Field & Stream & Remington). Remaining sponsorships are 1-Silver & 1-Gold.

Ammo raffle was discussed, including the need for printed tickets, issuing a 1099 to the winner, and what verbiage should be. Also discussed that we would not pre-arrange the buy with a particular vendor so that we would have flexibility to use another vendor should shipping be better geographically.

Allisen & Steve to head up creation of tickets. Jason to forward ticket company that he's had some experience using.

Estimated cost for ammo and freight would be ~$11K. Ticket sales would generate $30K.

Motion made to conduct a premium shell raffle, limiting tickets sold to 300, ticket cost of $100, drawing when 300 tickets are sold, include freight/delivery to continental United States (where allowed by law), and the issuance of a 1099 to the winner. Passed Unanimously.

Meeting adjourned at 1:45 PM

Respectfully Submitted,

Jason Green
Vice President
