

## SKRAP SHOOT AT MAJOR WALDRON ON MAY 4,'24

Registration opens at 9:00AM and closes promptly at 11:00AM. No entries will be permitted after 11:00 AM.

SKRAP is wobble trap but shot from skeet stations 2-6 on one of our combination trap/skeet fields. Two shots per target are allowed. It does not matter which of the two shots breaks the target.

Shooters are charged a \$20.00 entry fee and shoot at 50 targets in 2 – 25 target rounds.

\$6.00 of the entry fee goes into a purse and the remaining \$14.00 pays for the two 25 target rounds.

The purse is paid out to the top 4 scores by per centage 50/30/10/10. A perfect score of 50 will take all the purse money thereby eliminating the second, third and fourth place payouts. Payouts are rounded down to the next nearest whole dollar. Ties for place and purse are decided by a coin flip. A shooter is eligible for one purse only.
