We will use 6 program fields (plus 1 practice field) equipped with Pat-Trap[®] automatic traps and Canterbury Voice Release[®] units. All orange White Flyer[®] targets will be thrown for each event. **We recommend that you pre-register with presquad.com or by mail. This helps reduce lines and smooths the overall process of registration.** The pre-registration instructions and form are on pages 6 & 7.

Classification, Squadding & Entry: Classification, squadding for those not pre-registered, and entry for all events will begin on Thursday, June 13th, at 5:00 p.m. **Entries accepted in U. Penalty Classification: Shooters not having at least 500 16-yard targets, 300 doubles targets, and 500 handicap targets for the 2023 and 2024 target years combined will shoot in Class B or higher and 2 yards over their current yardage (minimum 22 yards, maximum 25 yards). For Ladies, Juniors, Sub-Juniors, and Veterans the minimum penalty yardage will be 21 yards. There will be no penalty yardage for those shooters 70 years of age or older. For handicap events, shooters may avoid penalty yardage by shooting targets only but they will not be eligible for trophies or added monies and cannot play any purses or options.

REGISTRATION CERTIFICATE

This is to certify that the Montpelier Gun Club, Inc. has been authorized by the Amateur Trapshooting Association to hold a registered shoot at its club grounds in Berlin, VT on June 14, 15, and 16, 2024. ATA rules will govern this shoot and all scores will be included in the official records.

Amateur Trapshooting Association, Sparta, IL

Special Categories: It is the responsibility of Ladies (I & II), Juniors Gold, Juniors, Sub-Juniors, Sub-Veterans, Veterans, and Senior Veterans to make sure that your correct category is indicated on your classification receipt and on the scoreboard if you choose to declare.

Sub-Juniors, Juniors, Juniors Gold: The target entry fee for all sub-juniors, juniors, and juniors gold in all events will be \$25.00 per hundred targets provided no options or purses are chosen.

Membership Dues: Shooters must have a current ATA membership card or dues receipt, otherwise the annual membership fee of \$20.00 (\$12.00 for Juniors Gold, Juniors, and Sub-Juniors) will be charged.

Scores, Monies & Pay-offs: Please verify your scores on the score sheet before changing positions or leaving the field and on the scoreboard after you have completed an event. **Scores cannot be changed after leaving a shooting post and shooting your first target at the next post.** Scores are final for purses and options one hour after each event. Once the money options are figured, there will be no changes unless the cashier has made an error in computing the pay-offs. The Vermont sales tax is included in the cost of targets for all events.

Trophies & Shoot-offs: Ties in Event 1 and Event 3 will be carried over by sub-event to Event 4 and Event 5, respectively. Ties in all other events will be shot off at the end of each day. Shooters with tie scores who are not present for a shoot-off will forfeit. Shooters are eligible for only one trophy per event. **Please pick up your trophies before leaving the club grounds.**

Starting Traps: Trap bank assignment will be picked at random before each event. Charts will be posted showing where your squad will shoot. To improve the overall flow, management reserves the right to change trap assignments when gaps in squadding or mechanical breakdowns occur. Due to scratched squads, there may be jumps in squad sequence. Please watch the starting trap board to determine where and when your squad will shoot.

Target Shooting Procedure: We will use the traditional 5 targets-per-post procedure for singles and handicap events. Doubles events will be shot with the 5 pairs-per-post procedure.

Lights: If weather or attendance conditions warrant, floodlights for 3 fields will be turned on at the same time at approx. 7:30 p.m.

Practice Trap: If it is not being used for program events, the practice trap will be available starting at 8:30 a.m. each day. The cost for practice is \$6.00 per round of 25.

Green Mountain Cup (Team Trophy): The VTA sponsors the Green Mountain Cup Team Trophy. Any state or province may enter one team. Team members must be identified before shooting. The total score for all five shooters from the championship events determines the winning team. The winning team takes possession of the Green Mountain Cup for one year, to be returned in 2024.

VTA Annual Meeting: The annual meeting of the Vermont Trapshooting Association will be held on Sunday, June 16th at 8:30 a.m. in the clubhouse. The purpose of the meeting is to elect a delegate, alternate delegate, officers, and conduct any business of the Association. The ATA refund to the VTA for dues and daily fees paid during the 2023 target year was \$343.00.

Golf Carts: Except for management personnel, the use of golf carts or other similar vehicles will only be permitted on the roadway. Please avoid use on or near the trap fields.

Camping: Due to the '23 flood reconstruction work camping spaces may be limited to only about 10 spaces. Electricity will not be available at the campsites. The cost is \$45.00 (flat rate) regardless of hook-up usage or number of nights stayed. **AT THIS TIME WATER IS NO LONGER AVAILABLE AT THE CAMPGROUND. PLEASE PLAN ACCORDINGLY. Please contact Ron Minor at 802-524-4293 or ronminor@myfairpoint.net in advance to determine what is available and reserve a space. We hope to have the campground fully open with electricity next year.**

Vendors: Vendors staying overnight in RV's or campers will be charged a flat rate of \$45.00 regardless of hook-up usage or number of nights stayed. There is no charge to vendors who do not stay overnight on the grounds but donations will be accepted. **Please contact Ron Minor at 802-524-4293 or ronminor@myfairpoint.net in advance to reserve a space.**

Directions: The Montpelier Gun Club is located in Berlin, VT at 240 Goodnow Road which is off the "East Montpelier Road" (Route 2), approx. one-half mile east of the intersection of U.S. Routes 2 and 302. After crossing the second bridge over the Winooski River take a right onto Marvin Road. Take the next right onto Goodnow Road and proceed to Club on right.

Mailing Address: PO Box 664, Montpelier, VT 05601

Management reserves the right to refuse any entry, to change or cancel all or part of the program, or to adjust the traps as circumstances require.

2024 VERMONT STATE SHOOT PRE-SQUADDING INSTRUCTIONS

1. Pre-registration will be available at www.presquad.com. **It is preferred that you use this method for pre-squadding.** You will need all ATA numbers when pre-registering. If you do not have Internet access you may pre-register by mail by completing the form on the next page. Print your name, address, telephone number, and the names and ATA numbers of all shooters you are requesting positions for in the appropriate areas on the form. The cost for pre-squadding is \$2.00 per position per event (\$10.00 for a full squad). **This service charge is non-refundable and not applicable towards entry fees.** It must be included with your pre-squadding request form and received by mail within 5 days at the address below in order to secure your reservation(s).
2. On the manual form, determine the approximate time during each event that you would like to shoot and write an "E" (early), "M" (middle), or "L" (late) in the box next to each event. **We will try to select your squad based on your preference, however this may not be possible due to higher demand for certain shooting times.** The starting traps will be determined randomly and not in advance.
3. You may pre-squad for individual positions or a full squad. If you want a full squad, circle all 5 positions on the form. The maximum is one squad per event.
4. Multiply the number of positions you have chosen for each event by \$2.00 and enter that total in the pre-squad fee box. At the bottom of this column total all of the pre-squad fees and include a check in this amount, made payable to the Montpelier Gun Club, with your pre-squad form.
5. Squad assignments for all pre-squadded entries can be obtained at the squadding window starting Thursday, June 13th at 5:00 p.m. or any day thereafter. They will not be mailed. **Assignments not claimed at least 30 minutes before your start time will be released and you will need to re-squad.**
6. All requests for pre-squadding will be processed after May 17th. Any requests for pre-squadding postmarked before May 17th will be treated as if they were postmarked on May 17th. **No pre-squadding requests will be accepted after a postmark date of June 3rd. The deadline for presquad.com is June 7th.**
7. Priority on postmark date will be given to full squads first, partial squads second, and individual position requests last. Shooters requesting partial squads may be assigned different positions if the first choice is unavailable.
8. Telephone requests will not be accepted.

Send your completed pre-squad entry form and check made payable to the Montpelier Gun Club to:

MONTPELIER GUN CLUB LEWIS

As many of you are aware, the Montpelier Gun Club has incurred a substantial amount of debt in building and maintaining the shot curtain, as well as cleaning up from flood damage during the past many years. Again this year, we are offering the "Montpelier Gun Club Lewis" in all events as a way to raise additional funds for the Club. The entry is \$10.00 with \$5.00 of it for the Club and \$5.00 for a special Lewis to be paid one money every 10 entries, 50/30/20 high gun, maximum of 3 classes. We hope that you will participate. Thank you for your consideration.

HANDICAP MIDDLE 50 JACKPOT

Entry - \$10.00

We will offer a middle 50 jackpot for the handicap events at all of our registered shoots this year. To win the jackpot you will need a 50-straight in the middle 50. If there are no 50-straight then 25% of the entry that day will go to the high score in the middle 50 of the jackpot entrants that day. The jackpot carries to the next handicap event or regular shoot until there is a 50-straight. If a 50-straight has not been shot by the last shoot, the pot carries over to the next year and continues to accumulate. All ties divide.

Preliminary Day Note

Ties in Event 1 and Event 3 will be carried over by sub-event to Event 4 and Event 5, respectively. Ties in Event 2 will be shot off at the end of the day. Class winners in Events 1 and 3 will not move up one class for Events 4 and 5.

2023 MGC Flood Recovery

In July of last year Central Vermont was hit with an historic flood. Our Gun Club was a part of this disaster and when the waters receded the club house was heavily damaged, the trap houses flooded and filled with sand, and about 2' of sand from the river deposited over the shooting fields.

After a quick estimate of the cost of restoration we found ourselves facing closure of the facility. With the lower attendance at our registered shoots the last few years we simply didn't have the financial resources to undertake the effort.

We reached out through Go Fund Me and social media asking for financial help from our fellow shooters and the public. The response was overwhelming.

We got the trap houses cleaned and the fields cleared of sand. By fall we had completed fine grading and new seeded grass was sprouting. Over the winter we hired a contractor who stripped the clubhouse down to its frame and re-built the building.

Much of the work on the site portion came from members donated time.

Thanks to the money raised and the efforts of our membership we decided in late winter this year that we would be open for our normal registered shoot schedule.

We can't thank our supporters enough. Thanks to you we're back in business!

On the following page is a list of all the people who provided financial support to the Club.

Again, thank you so much!

Special thanks

A special thank you goes to the State of Vermont. In and effort to get businesses that incurred flood damage back up and running the State allocated \$30 million to fund the Business Emergency Gap Assistance Program (BEGAP) The Gun Club Applied for and received a grant of over \$65,000 to aid in our recovery costs. This funding was vital to our success.

Francis “Frank” Burnor

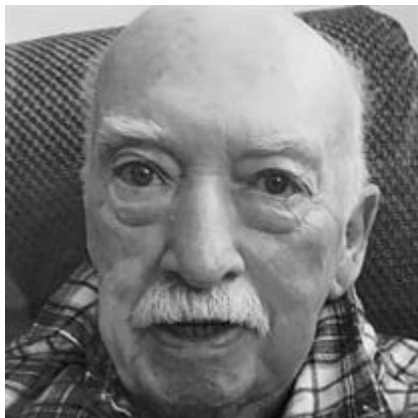

HIGHGATE - Francis C. Burnor, age 81, passed away on Monday, April 1st, 2024 at his home surrounded by his loving family.

He was born May 29, 1942 in St. Albans to the late Carlyle & Ernestine (Menard) Burnor.

A man with a passion for the outdoors and a keen love for hunting and shooting, Francis began indulging in these hobbies from young age. He was a graduate of BFA St. Albans, where he enjoyed playing baseball. After proudly serving his country in the US Air Force during the Vietnam War and being stationed in Okinawa, Frank embarked on a successful career as a machinist and supervisor at GE before later becoming the maintenance director at the Sheldon School.

Throughout his life, he found joy in spending time with his son hunting during the deer season and cheering on his grandchildren at their sporting events. Frank was an avid trapshooter and registered 44,200 singles, 28,000 handicap, and 15,550 doubles. He won the Vermont State Veteran Singles Championship in 2009
